Lay Training Fund Guidelines

Eligibility for support

The Lay Training Fund (LTF) exists to ensure that finances are not a barrier to formation. *"Formation is not the privilege of a few, but a right and duty of all."* (Christifideles Laici, 63)

It covers all areas of formation which are not normally provided by parish life. The suitability of an application will be assessed by the Lay Training Fund Committee which is made of the Episcopal Vicar for Faith & Mission, lay coordinator for Faith & Mission, a clergy expert in formation, a member of the Finance team and a lay representative, normally the chair of the Lay Pastoral Council.

The vision for the formation of the Laity was passionately described by John Henry Newman in 1851:

"You must not hide your talent in a napkin, or your light under a bushel. I want a laity, not arrogant, not rash in speech, not disputatious, but men who know their religion, who enter into it, who know just where they stand, who know what they hold, and what they do not, who know their creed so well that they can give an account of it, who know so much of history that they can defend it. I want an intelligent and well-instructed laity... I wish you to enlarge your knowledge, to cultivate your reason, to get an insight into the relation of truth, to learn to view things as they are, to understand how faith and reason stand to each other, what are the bases and principles of Catholicism." Saint John Henry Newman

The Lay Training Fund is available to support this vision.

Who is eligible for support?

Any adult (aged 18+) living in the Diocese of Hexham and Newcastle, wishing to further deepen their knowledge of religious formation or wishing to educate others in order to have a greater involvement in the parishes or partnerships within the Diocese of Hexham and Newcastle or the wider community it serves, is eligible to apply for support from the Lay Training Fund.

Where a person's paid employment requires a commitment to formation, such as a teacher, and this is eligible to be paid out of a normal education budget, applications will not be considered for the Lay Training Fund. However, if for example, a teacher wishes to develop their own faith commitment at the service of the Church, then this will be considered for support.

Each year the administrators of the Lay Training Fund, in consultation with the Board of Directors, will also identify emerging priorities and will be proactive in seeking the appropriate people to respond to these priorities and will assess appropriate funding.

Priorities

2020/2021

- Catechist formation including people seeking to study the Pastoral Ministry Certificate
