The Governors wish to appoint an excellent Teacher of Maths. This post should appeal to both recently qualified teachers or to more experienced candidates, looking to develop further in an outstanding school. This is a wonderful opportunity for someone wishing to join an outstanding department and a highly successful and forward thinking school.

St Mary's is a great place to work and provides excellent job satisfaction, as it is a very supportive environment. We provide excellent CPD for ECTs and recently qualified teachers, as well as on-going training for more experienced teachers. There are opportunities for teachers at all levels to help develop teaching and learning across the school, working collaboratively with teachers from other departments, whether as coaches, researchers or SLEs. The working environment is, therefore, a very stimulating one for all staff and is an added attraction of this post

St Mary's is a very popular and happy school, rated Outstanding by the Diocese and Ofsted. We became an academy in 2013 and enjoy outstanding facilities in a new building, which opened in 2011. We joined the Bishop Bewick Catholic Education Trust in June 2020. We are also very popular with parents and are one of the most over-subscribed schools in the North-East. The roll has grown from around 1100 five years ago to over 1450 by September 2021, with 5 year groups of around 240. The Sixth Form currently has over 270 students, but will grow to around 300 in the next couple of years, as larger and strongly academic year groups move into Sixth Form.

At St Mary's, Maths is a well-established and highly respected department with excellent results. Recent highlights include:-

**2021 TAGs**

**Key Stage 4**

- 74% of pupils achieved at least a Grade 5 in GCSE Maths in 2021

**Key Stage 3**

- Key Stage 3 is exceptionally strong too, with very able cohorts coming through.

Leadership, teaching and the climate for learning in Maths are all very strong.

Above all, the Governors wish to appoint a teacher with:-
