

Lindisfarne
COLLEGE of THEOLOGY

Study for an MA in Theology, Ministry and Mission!

Lindisfarne College of Theology offers the opportunity to study for
an MA accredited by Durham University

- explore aspects of Christian belief, worship, mission, history and the Bible
- apply them to ministry,
- deepen your understanding of the Christian faith,
- imagine future ministry possibilities (lay or ordained),
- connect with others as part of a supportive and caring learning community.

In 2022-23, the taught modules will explore:

- how churches respond to the missional challenges they face today
- how the Bible addresses some of the significant ethical dilemmas of our times
- how research can deepen our understanding of Christian mission and ministry

Lindisfarne is a small, friendly college. Our students are from a wide variety of backgrounds and ages, and tuition fees are very reasonable. We welcome the insights and perspectives of those from non-Anglican contexts.
