

Clothing Appeal for New Prisoners

nepacs

Supporting a positive future
for prisoners and their families

Please help us and the prisons provide new underwear to men and women on arrival, who don't have loved ones to send them clothing or the financial means to purchase them.

The first two weeks in custody is a crucial time when prisoners are most anxious, worried and more at risk of self harm or suicide. Our Early Days in Custody teams at HMPs Durham and Low Newton are on hand to help them contact their loved ones, answer any questions, help them receive the support they need within the prison and to help relieve their stress and anxiety.

WE NEED YOUR HELP!
