

From Monday 11 September, all year groups will be in school on a rotation with virtual provision on the days they are not in school. Our Sixth Form students will have lessons delivered by our staff at Our Lady of the Rosary Primary School, which is adjacent to our school site. All information on these arrangements will be provided to parents and shared on our social media.

We are continuing to explore alternative arrangements for face-to-face teaching for all pupils and are confident we will have a further update next week. We would like to thank our colleagues across our Trust and our local communities for their support and our pupils, parents and staff for their continued patience.

Mrs Frances Cessford, Headteacher, St. Bede Catholic School & Byron Sixth Form, Peterlee
