

Our EYFS (Reception & Nursery) pupils are being taught face to face by our staff at English Martyrs' Catholic Primary School. They are being transported to and from English Martyrs by bus organised by school.

We are continuing to work on finalising all the necessary health and safety checks and logistical arrangements to have our Year 1 – Year 6 pupils based at Gabriel House, which is located next to St Anthony's Catholic Academy in Sunderland, again transport will be provided by school.

*Year 1 to Year 6 pupils - **school will continue to provide learning resources via social media on Monday** and we will provide an update to parents on Monday as to when we are safely able to begin teaching at Gabriel House.*

We would like to thank our pupils, parents and staff for their continued patience and support during these extraordinary circumstances we find ourselves in. We would also like to give a huge thanks to our colleagues across the Trust for their support, English Martyrs Catholic Primary School and of course to the Sisters of Mercy, Sunderland.

Mrs Lianne Peart, Headteacher, St. John Bosco Catholic Primary School, Sunderland

*"It was a little nerve wracking not knowing what might happen, but the staff have done an amazing job to get the children back to school and settled in the current circumstances. My daughter is absolutely thrilled to have started school now." **Stephanie, Parent.***
