

Illuminating the Word of God

Exploring the use of Art in Faith

National Interfaith Week Exhibition

St Margaret's Chapel in Newcastle Cathedral

St. Nicholas Square, Newcastle upon Tyne NE1 1PF

Monday 13th to Saturday 18th November

Over the last year the **Voices of Faith** group have been inviting individuals and groups to reflect on examples of how **writers, sculptors, calligraphers, poets, composers**, and artists in general have drawn inspiration from their religion to illuminate the word of God.

This poster exhibition represents a range of ideas from members of some of the religious communities across the Northeast of England.

After the exhibition these posters will be stored by the Religious Resource Centre and available for use in other places.
