

Oasis of Silence

*St. Hilda's Priory,
Whitby*

2024

**Come to me,
all you who are weary and burdened,
and I will give you rest.
You will find rest for your souls.**

(Matthew 11,28)

The Oasis of Silence programme at St. Hilda's Priory offers space and stillness to seek God with loving awareness in the present moment. It offers a variety of opportunities to make retreats of different lengths in a peaceful and welcoming environment, away from our busy everyday lives.

It is for everyone seeking stillness and silence and who is interested in getting to know or to deepening the practice of contemplative prayer.

"There are many techniques leading to contemplative prayer," the Jesuit, Franz Jalics SJ (1927 – 2021) used to say, "I teach only one of them." We keep to the form and the dynamics of his method (also known as the Gries Path) in this retreat programme. Through a deepening awareness of the reality of the present moment by focusing on our breathing, our hands and His Name we are led to a ever deeper encounter with Jesus Christ

One day

Oasis of Silence

This one day of retreat is offered on Saturdays once a month. It is hoped that this will become a regular meeting point for anyone on the contemplative path of prayer.

Everyone is welcome – whether you are just beginning to explore this form of prayer or if you have been on the contemplative path for a while.

During the lunch break there will be opportunity for individual conversations with the retreat guide. The afternoon session begins with a reflection on Scripture before time spent in meditation or out in the peace and quiet of the lovely Priory gardens and countryside around.

The day ends in time to enjoy a little of Whitby, if you so wish, before returning home.

4 day retreat course

Tasting the Silence

Thurs 11th – Sunday 14th April. 2024

Monday 21st – Thursday 24th October. 2024

This short form of contemplative retreat offers the possibility to move towards contemplative prayer and to taste spending an extended time in silence. The path we take in these days is clearly led and is very simple. We stay in silence and remain before God in silent meditation as a group as well as individually outside in nature.

These days of prayer are a school of awareness: listening, looking, alert and open with all our senses to the here and now. What is important is to be willing to remain lovingly alert to the silence and to be open to God's presence in each moment wherever you are. To facilitate this, we ask participants to switch off their mobile, not to read and not to pursue any other form of activity other than what is offered during the retreat.

The course begins with the evening meal at 6.30 and ends after lunch.

Lent course (a weekly course over 6 weeks)

Introduction to the Jesus Prayer

This course is an introduction to contemplative prayer using the Gries Path. Week by week our increasing awareness of the reality of the present moment brings us to a deeper encounter with Jesus Christ.

10 day retreat course

Monday 1st July 2024 to Thursday 11th July 2024

This retreat course is the one primarily conceived and developed by Franz Jalics SJ. It invites to a long and intensive time of silence, a school of awareness leading to the Jesus prayer. The only prerequisite for this form of retreat is a true longing to be one with God in prayer and a normal state of mental resilience.

The courses are usually accompanied by two retreat guides and it is important for participants to allow themselves to be led by these guides for the duration of the retreat.

After an initial introductory period the daily schedule invites to several hours of silent meditation as a group, the opportunity to take part in the Eucharist whenever possible, and up to an hour of light manual work (either in the house or in the garden). We remain in silence during the whole retreat.

We invite participants to open themselves to God at all times by being fully aware of each present moment. Apart from the guided meditations, time spent outside in nature is an important component. Another integral exercise in this direction is our request for participants to switch off their mobiles, and refrain from other activities, such as reading etc. Every day there will be a time of sharing in the group during which the retreat guide asks how the various exercises in contemplative prayer are going for the retreatants. One to one conversations are also an important part of the retreat and allow for participants to be individually accompanied by a retreat guide.

The course begins on Monday 1st July 2024 with the evening meal at 6.30 pm and finishes on Thursday 11th July 2024 after breakfast.
