Do you want the music team at your church to grow and develop a healthy culture of encouragement and discipleship?

The OHP Academy is a six-month online worship school for aspiring worship leaders, musicians and songwriters who want to grow in their relationship with Jesus and their practical gifting in order to serve in their context. One Hope Project has over a decade's experience in leading worship, writing songs, equipping others and a much longer journey of following Jesus and we see the real need to invest in this area of the Church.

What does an Academy participant receive?

THE FORMATION SESSIONS

At the heart of the OHP Academy are the teaching sessions providing deeper formation on a range of topics in relation to worshipping God. These are delivered by numerous speakers from both within and outside One Hope Project, all of whom serve the Catholic Church and love and follow Jesus. We believe the curriculum provides great knowledge, and helps to grow a desire in people to want to encounter Jesus for themselves, as well as to lead others into His presence. This content is provided week by week for participants to watch in their own time. There are 19 video teaching sessions for participants to enjoy:

- Welcome to The Academy
- It's All About Jesus
- Leading Worship [part 1 & part 2]
- Music for Liturgy [part 1 & part 2]
- Hearing God's Voice in Worship
- Off Set-List
- Building a Team
- Discipleship in Worship
- Playing Well Together
- Creativity and Beauty
- Baptism in the Holy Spirit
- The Authentic Leader
- Songwriting
- Worship with the Word
- Revelation 4 - Throne Room Worship
- Praise - 7 Hebrew Words
- Worshipping God with Our Lives

ONLINE GROUP SESSIONS

After watching the formation sessions, the participants meet every other week in an online group session. This time together gives students the chance to review the material from the video and discuss in smaller groups. There's also the opportunity for a Q&A, time to activate the content they've received, and periods of prayer and worship. These sessions really build the community spirit of the Academy as participants meet with other like-minded people from all over the world.

MENTOR

Every participant receives a mentor who they meet with a number of times over the course of the OHP Academy. This person is available to talk about the student's spiritual life, help them grow in prayer, and try to relate everything they're learning on the Academy to their relationship with Jesus. Many participants have found this a real blessing.

MANAGER

Participants also receive a manager who is someone who helps them grow practically in a worship skill. This could be anything from learning about leadership, to honing their guitar or piano playing.

Who can apply?

The Academy is for anyone who has a propensity for music and a desire to learn and lead. Over the four cohorts we have run of the Academy, so far we have graduated:

- 78 people from 13 different nations
- 70% of graduates under the age of 35
- 14 participants [Year 1]
- 16 participants [Year 2]
- 22 participants [Year 3]
- 26 participants [Year 4]

More and more dioceses and organisations are investing in people to participate in the OHP Academy. Of our last cohort alone, half of our participants were either fully funded or half funded by a Catholic organisation or local diocese.

"It looks like an ordinary worship school but how you have set it up - you don't know what you've done! It's just amazing. It's giving me such perspective. It has a call of conversion completely at its heart, a call to go deeper in your relationship with Jesus. It's incredible. It feels like a retreat in every-day life."

"This is not just about growing talents, but growing the love of Christ in all hearts that come through you. This program is beautiful."

"The words I would use to explain my experience of the OHP Academy are: dignifying, empowering, challenging and transformative!"

We are inviting you on this journey!

We really believe that the formation that the OHP Academy provides already has and will continue to equip and train worship leaders in the Catholic Church and see them lead others into a genuine and real encounter with the Lord. Our world is crying out for authentic worship and we believe that we can help.

We would love the opportunity to serve you or those you lead. If you have any questions at all or would be interested in meeting, please email us at info@onehopeproject.co.uk

God bless,
Pippa Baker and Joe Wells
